Antoni Arola. 2023
Table Lamp

IP 20

A line of light and a thin aluminum sheet. The elegance of its arch is visible even to the most distracted eyes, soon pleased by the calmness of its reflected light. The concave surface in matte white, intended to ensure optimal light quality without glare, contrasts with a glossy reverse that adds a refined visual effect.

General description:
White grey metallic shade with glossy finish (exterior).
Black metal structure with matte finish.
Polycarbonate diffuser.
Dimmer and switch incorporated into the luminaire.
Electric cable length: 2,25 m / 88.6”
