

108 Bench

Enric Batlle, Joan Roig. 2007

Code: C8B

Materials: Architectural concrete bench, mass coloured in white, grey and black tones, water repellent exposed aggregate finish. Various finishes and colours possible, depending on the quantity ordered.

To enclose land we have added to the family with a piece that is the same height and shape as the backrest.

Anti-icing and/or anti-graffiti treatment if needed.

Structure:

Artificial white stripped stone

Artificial grey stripped stone

Artificial black stripped stone

Weight:

Without backrest 48 cm: 195 kg.

With backrest 48 cm: 395 kg.

Without backrest 150 cm: 625 kg.

With backrest 150 cm: 1,245 kg.

Installation: Fixed to the ground by two bolts which are placed in holes drilled into the road surface and filled with epoxy resin, quick-setting cement or similar.

We recommend always leaving a space of 3 cm between the benches.

The bench is delivered packaged.

Assembly instructions included.

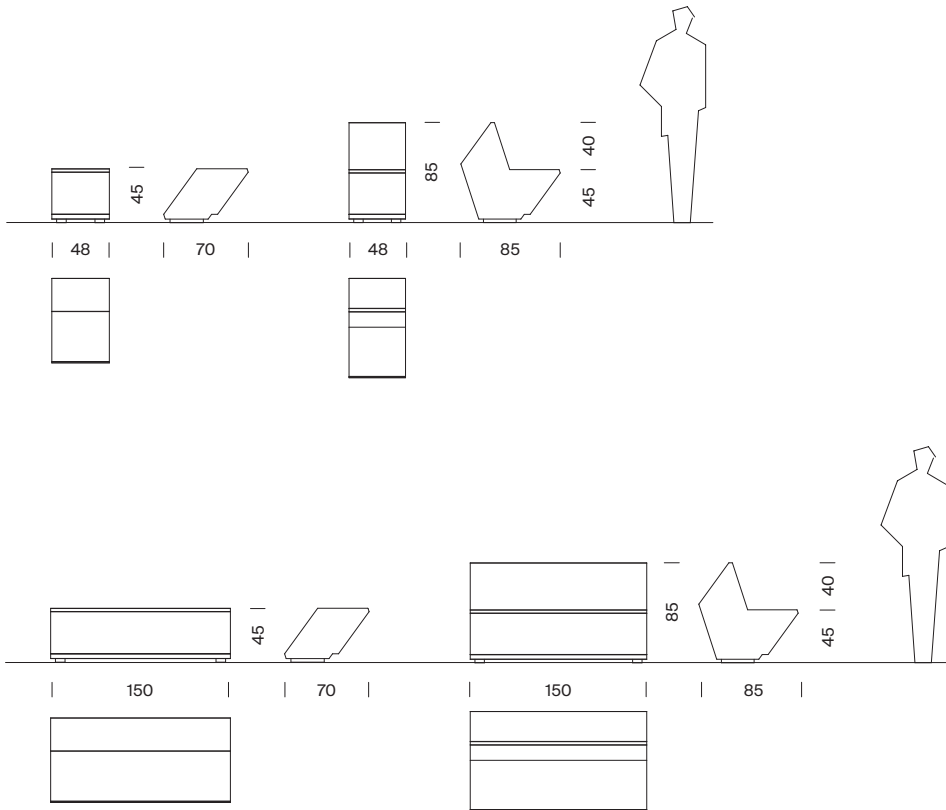

Maintenance: No functional maintenance is required.
