(with Tumbler luminaire)

Code: TML03 catenary attachment

Accessory allowing the luminaire to be affixed to a catenary using a simple fastening system. Allows for 360° vertical rotation, allowing a fully orientable projection.

Materials:

Metal wire range admissible: Ø6 mm.

Powder-coated finish aluminium injection bracket.

Stainless steel screws.

Colours: Black (RAL 9004).

(Other colours available to order)

Size (cm): Ø 11 x 6,6

Weight (Kg): 0,3

Installation: Suitable for catenary attachment by means of a fastening accessory. The component is delivered disassembled.

The component can be combined with the Arne floodlight product range (for further information about Arne floodlight, log onto the website urbidermis.com)

*luminaire non included
