

SANTA & COLE

Aarhus

Arne Jacobsen, Erik Møller, 1946

Wall Lamp

Indirect lighting based on the traditional glass globe designed by Arne Jacobsen and Erik Møller in 1946 to light the new town hall of the Danish city from which it takes its name. Santa & Cole is once again editing this famous wall light with its brass skirt and opaline blouse, and vaguely morbid and sensual oval shape. Firm tenderness in the civil service. And fantastic light.

GENERAL DESCRIPTION

Satin nickel structure.
White opal glass lampshade.
Suitable for Outlet Box (UL market).

LIGHT SOURCE

Recommended light source:
LED bulb: 12 W
Compact fluorescent: 11 W
Incandescent: Max. 40 W
