Curved 6 mm steel structure with anti-rust protection and painted Light grey or Black.

Seat and backrest made of 50/65 x 160 mm section FSC-certified tropical wood slats, protected with onecoat oil.

Finishes:

Light grey

Black

Tropical (FSC®)

*The colors shown are merely indicative and may differ from reality. (Other colors available to order)

**See special finishes for marine environments

Weights (kg):

1 unit bench with backrest: 110.

1 unit bench without backrest: 80.

Installation and maintenance:

Surface fixation by means of two antirust treated anchor bolts per structure, sunk into holes previously drilled into the pavement and filled with epoxy resin, quick-setting cement or similar.

Delivered unassembled.

Instructions, screws and anchor bolts are included.

No functional maintenance is required, other than to maintain the original wood finish.
