

BlancoWhite D2

Antoni Arola, 2013
Table lamps

A sturdy tabletop lamp that plays with the symmetry of round plates – the upper luminescent and the lower illuminated. The solid lower disc provides stability to the fullness of the luminous disc, creating a whole that is both robust and graceful. Available in the two basic colours of the BlancoWhite family – graphite black and white. The intelligence of LED at its best.

GENERAL DESCRIPTION

White (S&C) or graphite metal structure with matte finish.
Electric cable length: 4 m / 157.5"

LIGHT SOURCE

Strip of 84 LEDs
Power system: 28 W
Operating voltage: 12 VDC
