

**Code:** BTB

**Materials:** Structure made of ductile cast iron with anti-rust primer and black powder paint. Seat and backrest made from FSC®-certified tropical hardwood slats protected with one-coat oil that are slotted into the painted structure and attached with stainless steel screws.

**Slats:**  
Tropical wood (FSC®). One-coat oil finish.

**Structure:**  
Ductil cast iron. Pintado RAL 7024.  
(Other colours available to order)

**Weight:**  
Chair: 62 kg.  
Bench: 67 kg.  
Double bench: 106 kg.

**Installation:** The bench is delivered assembled, unless otherwise specified. Attached to the ground by two anti-rust treated steel bolts on every leg which are placed in holes drilled into the road surface and filled with epoxy resin, quick-setting cement or similar. Includes assembly instructions.

**Maintenance:** No functional maintenance is required, except to preserve the original colour of the wood.
