	Robinia	90 x 30	4	25
Banquette 3,00 m	Tropical	90 x 30	4	46
	Robinia	90 x 30	4	40

Installation: The bench is delivered dismantled. It is attached to the ground by two anti-rust treated steel bolts per leg, which are placed in holes that are drilled into the road surface and filled with epoxy resin, quick-setting cement or similar. Includes assembly instructions.

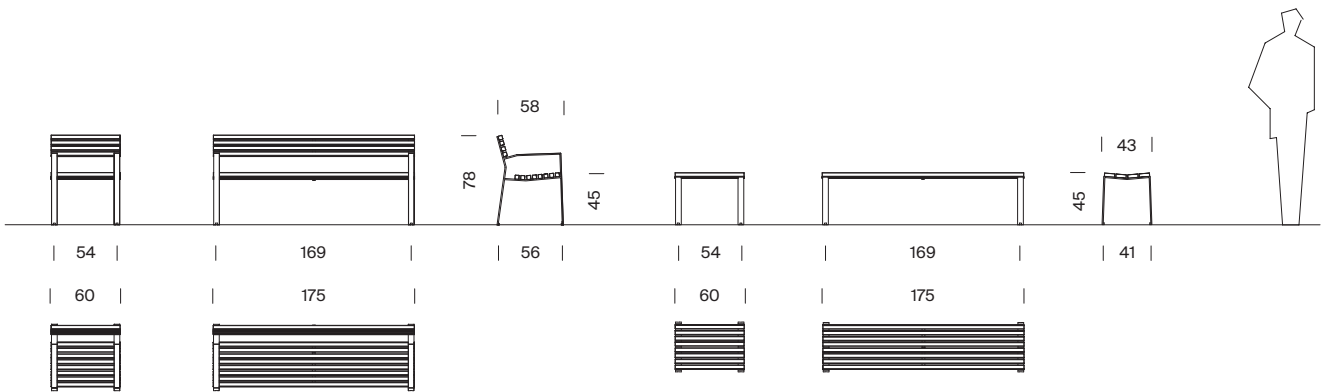

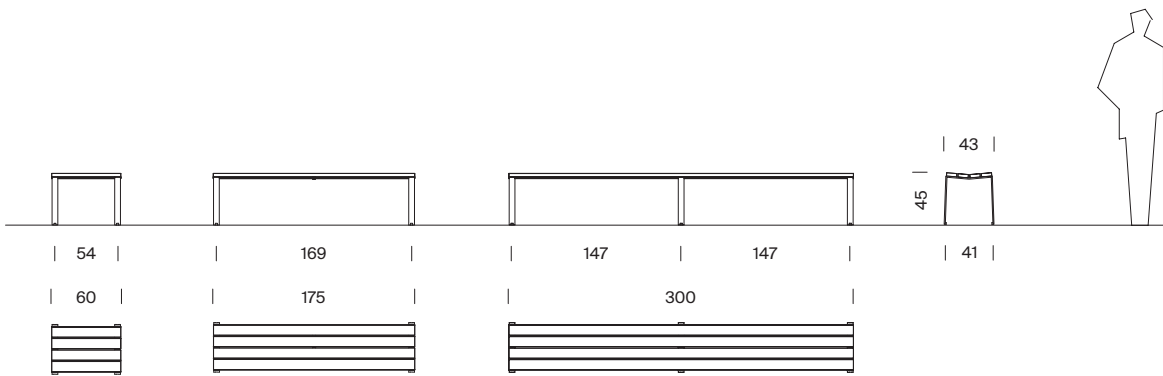

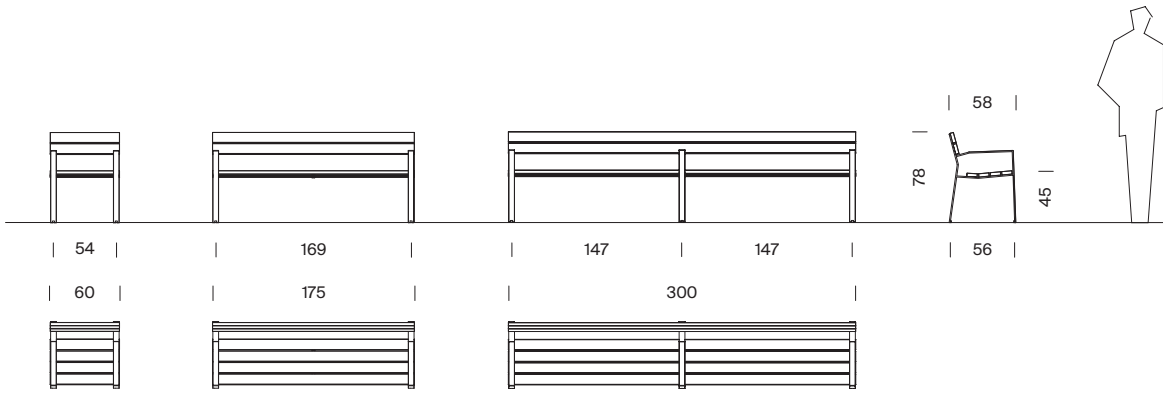

Self-tapping inserts into the wooden slats make them easy to assemble.

Maintenance: No functional maintenance is required, except to preserve the original colour of the wood.
