

NeoRomántico Liviano 100% Aluminio Bench

Miguel Milá, 2002

Code: NLB / NBB

Materials: AG3 cast aluminium structure with anodised finish or plastic coating in light or dark grey (prices and delivery times for other colours available on request).

The slats are made of extruded aluminium with anodised finish. This change in materials is a 21st-century adaptation: 100% aluminium, recycled, recyclable and enduring; affording slats of up to 6 m long with no maintenance.

All anchor screws for the slats are made of stainless steel.

Slats:

Extruded aluminium. Anodised

Structure: Cast AG3 aluminium

Anodised

Plastic covering RAL 9006
