Lámina Dorada 45

Antoni Arola. 2018
Pendant Lamp

SANTA & COLE

IP 20

In its flattened and golden version, Lámina preserves the delicacy of its lines, and its play of reflections creates new concavities to the eye. A variation with totemic evocations that maintains the same luminous calm, born from the virtues of reflected light.

On its own or in repetition, its modular design allows for the creation of long, linear compositions. Every two modules share a canopy, ensuring a clean and balanced asymmetry.
