

BlancoWhite R1

Antoni Arola. 2013
Wall lamp

In 2011, Antoni Arola designed the BlancoWhite family, combining smart LED lighting with minimalist, clean lines. A series of tabletop bookcases, luminous shelves, hallway wall lights and ultra-thin pendant lights, all designed to accentuate everyday objects, or to accompany the conversation at the table.

The R1 Wall lamp brings together a thin LED plaque and the personality of the wall in which it is set. Like opening your eyes, the lamp hides more than it shows. A metallic structure with a section of one centimeter, in graphite with a matte finish, harbors a LED plaque executed through a Dot Cutting technique or emptied by points. This technique distributes little interior holes of progressive lights along the surface, whether concave or straight, obtaining a harmonious flow of light.

Direct lighting that remains imperceptible, enhancing objects without casting shadows.

General description:

Graphite metal structure with matte finish with power supply incorporated.
Suitable for Outlet Box (UL market).

Approximate weight (unpacked):

1,9 kg / 4.1 lb

Technical information:

Light source included (dimmable)

Built-in dimmable LED
Rated input wattage: (A/B) 8 W / (C/D) 10 W
Operating voltage: 12 VDC
Colour Temp.: 3.000 K
CRI: 85
Lifetime: 40.000 h
Luminous flux: (A/B) 288 lm / (C/D) 360 lm

Energy efficiency class (E.E.C): A++...A
Suitable only for indoor use.
Always use this light source.

Input voltage: 90 ~ 264 Vac.
(50 Hz / 60 Hz). According to destination.
