With soft curves and expansive seating, the Cadaqués invites relaxation. Named after the quaint fishing village home to famous artists, it exudes the laid-back lifestyle. The ensemble features a sofa, lounge chair and footrest of unconventional proportions, allowing the user to lean back or lay down comfortably without sinking or leaving any prints. The Cadaqués can be upholstered in high quality Gabriel fabric provided by Santa & Cole, or the material of your choice.

For decades, architects Federico Correa and Alfonso Milá (disciples of Antonio Coderch) have embodied the creative audacity, formal rigour and human warmth of Barcelona's architecture and design; with projects conceived to inspire memories, tastes, colours, images, senses and emotions, both in public and private spaces.
