

Lámina Dorada 45

Antoni Arola. 2023
Floor Lamp

SANTA & COLE

In its flattened and golden version, Lámina preserves the delicacy of its lines, and its play of reflections creates new concavities for the eye. A variation with totemic evocations that maintains the same luminous calm, born from the virtues of reflected light.

The Lámina family was born aloft as suspension lamps, with a lightness that knows how to be intelligent. Erected as luminous sculptures, they stand out against any backdrop behind them.

General description:

Metallic flat shade with gold finish.
Black metal structure with matte finish.
Polycarbonate diffuser.
Dimmer and switch incorporated into the luminaire.
Electric cable length: 2,5 m / 98.4"

Approximate weight (unpacked):
