

Strolling through Barcelona in the 1960s, designer Miguel Milá found an abandoned opal globe in front of a glass factory. He picked it up, and over the years, it became the heart of this large family. As its name suggests, Cesta (Spanish for “basket”), was designed to hold this fragile piece.

Designed in the same year as the Cesta lamps, Wally is an iconic wall lamp that shares the same opal globe shape and formal elegance. The structure, available in matt white or dark bronze finishes, is fixed to the wall via a metal arm and ring that wrap around and support the glass shade.

The Wally wall lamp adds a distinguishing touch to any setting. It provides a diffuse and soft illumination for both indoor and outdoor spaces.
