

TRÍPODE

Floor and Table Lamp

1997, 2002 and 2011

GENERAL DESCRIPTION:

The bundle of three metal tubes joined like a set of Chinese chopsticks which holds up, without the need for a base, a generous ribbon shade and which created a small revolution in Santa & Cole's 92s catalogue, celebrated its fifteenth anniversary in 2010. We are now presenting its new younger sister, a family of lamps designed to create warm atmospheres, to awaken feelings and to brighten up monochromatic spaces.
