GOLD DELTA
ADI FAD 2013

An exponent of an era when industrial design was just becoming a discipline in Spain, this lamp is named after Swiss designer and artist Max Bill, a distinguished member of the jury that awarded him the Gold Delta Award in 1964, the highest of the Barcelona ADI-FAD awards.

Fifty years on, Santa & Cole is re-publishing it in an LED version adapted to fit the HEADLED capsule, which affords greater efficiency and light quality.

MAX BILL is available in five finishes: white, black, brass, polished aluminium and opal white and is further proof of the relevance and timelessness of Miguel Milá's designs.
